[RUSH] MESSAGE: _On page 31 of the spec, there's mention of an Appendix. Please can be found. Beginning at image 44 of REM 7/23/02 is what appears to be the Appendix. It's a mixture of text, tables + drawings, each page of which is called a "Figure." Is this to be printed + if so, how? ∗ None of the "figures" is described in the SPEC; ∗ The narrative cannot be figures; ∗ the actual drawings can't be text [37CFR1.58(a)]. Please resolve — maybe Appendix + reference p.31 of SPEC should not be published?_
Thank you — dd
